MATHEMATICS

Fruits & Fauna Fiesta

1. **Rate Card:** Create a mango stall with different varieties and prices.

2. **Billing Time:** Prepare 3 bills using addition and multiplication based on your stall.

3. Fruit Basket Fun (Word Problems)

Riya bought 3 dozen mangoes and 2 dozen bananas. If 1 dozen = 12 fruits, how many fruits did she buy in total?

- i. If each mango costs ₹15 and each banana costs ₹5, what is the total cost?
- ii. If each mango costs ₹15 and each banana costs ₹5, what is the total cost?

4. Shape Safari

Draw and name fruits and animals using basic shapes (circle = orange, triangle = bird's beak, rectangle = lion's body, etc.). Count how many shapes were used in total.

5. Jungle Word Problems: Make 3 real-life fruit market word problems involving animals.

e.g., A monkey bought 3 mangoes for Rs.10 each on Monday. 4 mangoes for Rs. 15 each on Tuesday and 5 mangoes for Rs.10 each on Wednesday.

Calculate the total amount he spent in 3 days.

6. Save the Species – Numbers Talk

If there were 1,000 rhinos in 2000, and only 300 are left now, how many have been lost?

If a panda eats 12 kg of bamboo every day, how much does it eat in a week?

EVS

Wild Wonders – Save & Sense the Animal World!

1. Research & Reflect

Choose any one endangered animal and answer:

- i. Why is this animal endangered?
- ii. What can humans do to help save it?
- iii. Which country or area is it found in?

2. Senses in the Wild

Animals have special senses. Match and describe:

- Which animal can see at night?
- Which animal has the strongest sense of smell?
- Which bird can hear the smallest sounds?

3. Draw and label the life cycle of a mango.

Map It with Mangoes!

India is home to a wide variety of mangoes, each unique to its region. Mark and label the states given below on the political map of India and write the famous mango variety found there.

You can decorate the map using small mango drawings, stickers, or cutouts.

Example

State	Famous Mango Variety
Uttar Pradesh	Dasheri
Andhra Pradesh	Banganapalli
Maharashtra	Alphonso (Haphus)
Bihar	Langra
West Bengal	Himsagar
Gujarat	Kesar
Tamil Nadu	Imam Pasand
